Georgia Project List

BUILDING OUR CLIENTS' **SUCCESS**
ONE PROJECT AT A TIME

We at KBD Group have been building Georgia's economy since 1964 providing top-notch design-build construction services which helped many clients establish and thrive. In Georgia, **we've supported over 200 projects, earning over 70% repeat business from national and global clients.** We appreciate you downloading and viewing our 5 year project brochure. Although we only included a few projects, we hope it gives you an understanding of what we can offer. If you are looking to expand or start a new construction project, lets start the conversation. We're ready to provide valuable insight and direction.
